Prayer

*Lord, Father of our human family,
you created all human beings equal in dignity:
pour forth into our hearts a fraternal spirit
and inspire in us a dream of renewed encounter,
dialogue, justice and peace.*

*Move us to create healthier societies and a more dignified world,
a world without hunger, poverty, violence and war.
May our hearts be open to all the peoples and nations of the earth.
May we recognize the goodness and beauty
that you have sown in each of us,
and forge bonds of unity and shared dreams.*

*Bless us as we gather today,
and bless those who cannot be with us.
Open our eyes to the needs of our neighbour
and to discovering Christ in each human person.*

We ask this in Your name, Jesus Christ.

Amen.

Honouring the Land & Territory

Halton, as we know it today, is rich in the history and modern traditions of many First Nations and the Métis. From the lands of the Anishinabe to the Attawandaron, the Haudenosaunee, and the Métis, these lands surrounding the Great Lakes are steeped in Indigenous history. As we gather today on these treaty lands, our Catholic Social Teachings call us in Solidarity with our Indigenous brothers and sisters to honour and respect the four directions, lands, waters, plants, animals and ancestors that walked before us.

All these wonderful elements of creation exist, gifted to us by our Creator God. We acknowledge and thank the Mississauga's of the Credit First Nation for being stewards of this traditional territory.

Milton #10 CES Boundary Review

Milton #10 CES Boundary Review

Boundary Review Initiated

- Staff will initiate a School Boundary Review to establish boundaries for the new Milton #10 CES.
- The SBRC is expected to begin in early June, 2021.
- Regular Track boundaries for Milton #10 CES will be determined through this review.
- Currently, all students in the Milton #10 CES designated holding area are directed to St. Scholastica CES. These students are shown in the St. Scholastica CES projections in this boundary review.
- The Regular Track boundaries are expected to be considered and approved by the Board in early Fall 2021, for September 2022 implementation.
